At the scene

IF ANYONE IS HURT, CALL 911 FIRST.

- 1 Check for injuries**
Call 911 if anyone is hurt. Don't move the seriously injured unless in danger.
- 2 Get safe**
Hazard lights on. Out of traffic if the cars can move safely.
- 3 Call police when needed**
Injuries, big damage, impaired or uninsured driver, someone leaves, or a dispute.
- 4 Exchange information**
Use the form on the next page. Photograph documents with permission.
- 5 Take photos**
Scene, all damage, plates, signs, skid marks, conditions.
- 6 Get witnesses**
Names and phone numbers.
- 7 Stick to facts**
Be polite. Don't admit fault or sign anything except police forms.
- 8 Afterwards**
See a doctor, notify your insurer, start a claim journal.

Beware: uninvited tow trucks pressuring you to sign, cash offers to "skip insurance", and anyone steering you to a particular doctor, shop or lawyer.
